

RSE – Curriculum Map

	Healthy and Happy Friendships Autumn 1	Similarities and Differences Autumn 2	Caring and Responsibility Spring 1	Families and Committed Relationships Spring 2	Healthy Bodies, Healthy Minds Summer 1	Coping With Change Summer 2
Year 1	Forming friendships and how kind or unkind behaviours impact other people.	Similarities and differences between people and how to respect and celebrate these.	Identifying who our special people are and how they keep us safe.	What a family is (including difference and diversity between families), and why families are important and special.	Our bodies and the amazing things they can do. Learning the correct names for different body parts.	Growing from young to old and how we have changed since we were born
Year 2	Understanding what makes a happy friendship. Recognising personal boundaries and safe/unsafe situations	Exploring different strengths and abilities. Understanding and challenging stereotypes.	The different communities and groups we belong to and how we help and support one another within these.	The different people in our families, and how families vary.	Ways to stay healthy, including safe and unsafe use of household products and medicines.	Exploring how our bodies and needs change as we grow older. Aspirations and goal setting.
Year 3	Being a good friend and respecting personal space. Strategies for resilience.	Respecting and valuing differences. Shared values of communities.	Our responsibilities and ways we can care and show respect for others	Different types of committed relationships and the basic characteristics of these.	Maintaining physical and mental wellbeing, through healthy eating, sleep and keeping clean.	Coping with feelings around the changes in our lives.
Year 4	Solving friendship difficulties. How to act if someone invades your privacy or personal boundaries.	Identity and diversity. Seeing different perspectives and not making judgements based on appearance.	Rights and responsibilities within families and wider society, including the UN Convention on the Rights of the Child.	The range of relationships we experience in our everyday lives. How to understand the differences between types of relationships we encounter.	Influences on our health and wellbeing, including friends, family and media, and awareness of how these can affect personal health choices.	How our bodies change as we enter puberty, including hygiene needs and menstruation.
Year 5	Identity and peer pressure off- and	Celebrating strengths, setting	How our care needs change and the	The characteristics of healthy, positive and	Our unique bodies and self-acceptance	How puberty changes can

	online. Positive emotional health and wellbeing	goals and keeping ourselves safe online	effects of loneliness and isolation. Ways in which we can show care in the community.	committed relationships, and how these develop as people grow older.	– valuing our bodies and minds; lifestyle habits (including alcohol, tobacco and drugs) and their effects on wellbeing.	affect our emotions and ways to manage this; questions about puberty and change.
Year 6	How relationships evolve as we grow, including when transitioning to secondary school. How to cope with a wider range of emotions.	Identity and behaviour online and offline. Reflecting on how people feel when they don't 'fit in'.	How we can take more responsibility for selfcare and who cares for us as we grow older, including at secondary school.	Human reproduction, including different ways to start a family. *	Being the healthiest me: ongoing self-care of bodies and minds, including ways to prevent and manage mental ill-health.	Ways to manage the increasing responsibilities and emotional effects of life changes.
